

Dear Potential Sponsor,

The Ancient City Gymnastics Competitive team is comprised of young athletes, each spending many hours per week in the gym. These athletes are high achievers at school, organized, have self-motivation and goals. These goals however, are met at a high cost. Funds are needed to pay for local, state and regional competitions as well as uniforms, etc. The projected annual competitive cost for the 2019-2020 season is approximately \$1,500 - \$2,500 per athlete depending on their level of competition.

We are asking for your help in supporting these talented athletes. Sponsorships are an excellent opportunity to advertise your business. Please consider using your advertising dollars in a way that will not only provide you with exposure (there are approximately 350 recreational athletes that attend the gym weekly), but also provide young athletes an opportunity to participate in a sport they love.

If you wish to offer a sponsorship simply complete the attached form, attach a check made payable to Ancient City Gymnastics. If you would like to sponsor a particular athlete, please note on the sponsorship page the athlete you would like to sponsor. If no athlete name is listed, it will be assumed that you would like to split your sponsorship among all of the competitive team athletes.

Your sponsorship would be greatly appreciated. If you would like any additional information or a tour of the gym, please call 904-342-0109, ask for Diane or Sue.

Thank you!
